Zak,

We did do some background checking yesterday. Attached is the SOS run on the company and below is the information from a web search on the corporation. Please let me know if you need us to do anything additional.

Respectfully,
Susan

The company's official corporate name is Adair Grain, Inc. and appears to be a small family operated business (8 employees) that is not related to any other corporation or business. We haven't found anything on annual sales but its highest credit limit was \$55k.
